A PROJECT OF INDIVISIBLE

## Brian Fitzpatrick Pennsylvania - 01

We'd love to ask Fitzpatrick about his vote for giant across-the-board cuts for our life-saving public programs, but he refuses to have any in-district events for his constituents. PA voters deserve a representative who will listen.

### Fast facts to know about Brain Fitzpatrick:

- Voted YES to repeal reproductive freedoms
- Voted YES to defund Planned Parenthood
- Refuses to meet with voters or hold town halls
- Accepted big donations from Harlan Crow, implicated in the Clarence Thomas scandal

### Fitzpatrick voted YES on Kevin McCarthy's Default on America plan, which would destroy programs and services here in Pennsylvania, like:

- Drastic cuts to Medicaid, impacting healthcare for millions
- Slashes K-12 public education, costing tens of thousands of teachers their jobs
- Cuts funding for the Veterans Administration, increasing wait times and reducing services for our veterans
- Cuts to Meals on Wheels and nutrition programs, leaving seniors and families hungry
- Includes big handouts to Big Oil and gas companies
- **All to protect Trump's tax cuts for the rich!**
