

TRUMP ARRAIGNMENT DAY

Donald Trump's been indicted for a whole list of serious crimes against American national security, yet he's **STILL THE FRONTRUNNER** for the Republican presidential nomination.

If you live in a district represented by a Republican, **it's essential that you ask them if they'll support Trump as the nominee.** If they won't answer, stay on them. Ask them (or their staff) why someone who's being indicted for endangering our national security and willfully breaking the law deserves to be President of the United States. Get them on the record, and don't let them lie or pivot. Record their answer (or refusal to answer), publish it, and report back. We all deserve to know where they stand.

REPUBLICANS CAN'T FLY UNDER THE RADAR ON THIS. AS THEIR CONSTITUENT, YOU DESERVE ANSWERS, AND WE DESERVE BETTER LEADERS.

TUESDAY JUNE 13TH, WE'RE GOING TO ASK HIS FELLOW REPUBLICANS:

WTF? Do you really support a man for president who has now been indicted twice, this time under the literal Espionage Act?
