

# MAKING A MAJORITY

**Ask your Member of Congress to hold protect our rights and expand the Supreme Court**

The Supreme Court is completely out of control. From banning affirmative action to overturning Roe v. Wade, the court cannot be trusted to uphold our fundamental rights.

The only way to save our rights is to expand the Supreme Court. Every single issue we care about is at risk from the MAGA majority on this court– we must act now to unrig our courts before it's too late.

**Scan this code to call your Member of Congress right now and ask them to cosponsor the Judiciary Act.**
